PENINSULA STATE PARK TRIBUTE PROGRAM

The memorial bench program at Peninsula State Park has been discontinued. In its place, the Friends of Peninsula State Park (FPSP) are offering the opportunity to make gifts in honor or in memory of loved ones to help fund future park improvements. Names of those being honored and remembered are listed on the Tribute Wall at the shelter near Nicolet Beach, which was dedicated on May 25, 2019.

Gift levels are $1,000, $1,500, and $2,500. The size of individual plates is 4” x 8”. The plates are different heights and colors to signify the different gift levels. The $2,500 plate is made of Corian and the others are made of acrylic. They are affixed to clear acrylic panels that are mounted on the shelter wall.

Donors may specify up to three lines of engraving with a maximum of 24 characters per line. **Note:** New engraved plates are installed 3-4 times per year.

If you would like to make an honor or memorial gift in connection with this program, please complete the form on the following page. Return it along with your check or credit card information. For multiple gifts, please fill out one form per gift. You may also submit your information and make a gift online at [http://peninsulafriends.org/tribute/](http://peninsulafriends.org/tribute/).

Thank you for your support of the park we all love!
